THE TRADE DEVELOPMENT AUTHORITY OF PAKISTAN (TDAP)

INTRODUCTION

Trade Development Authority of Pakistan is the premier trade promotion organization mandated to develop and promote products and services of the country in international markets.

TDAP implements policies and directives of Federal Government and its Board of Directors for enhancing, promoting and facilitating trade.

TDAP supports and facilitates businesses through latest information and capacity building initiatives to enhance and improve their leverage in international trade.

To achieve its objectives, TDAP organizes as well as participates in local & international trade fairs, country specific exhibitions, trade delegations, conducts seminars and organizes

contacts and information exchange events both physically as well on digital platforms.

This publication is part of the efforts of TDAP to share details and showcase Pakistan's products and services in international markets.

SECTOR PROFILE

Pakistan's Sports Goods sector being a prominent export sector has been a center of excellence for the production of high quality professional Sports Goods for more than 100 years positioned in the city of Sialkot acclaimed as a world famous hub of Sports Goods manufacturing.

Today the presence of internationally recognized skilled labor, quality manufacturing, continuous R&D for designs and innovations, focus on new technologies,

capacity building, world class state-of-the-art infrastructures, compliance of quality standards, corporate social responsibility, environmental standards, workplace safety, ethical business practices and visionary entrepreneurship have contributed to the evolution of our Sports Goods industry.

Presently Pakistan's Sports Goods are recognized as a hallmark of quality being sourced globally to many of the world's leading Sports Goods brands and also catering the

demands of geographically diversified international markets.

The project for elimination of child labor from the Soccer ball industry of Sialkot portrayed an exceptionally proactive, reliable and responsible image of Pakistan's Sports Goods sector worldwide and has been manifested internationally as an outstanding landmark in sustainable development and genuine business practices.

MADE IN PAKISTAN

"Brazuca" and "Telstar 18" Soccer balls used in FIFA World Cup, "Rio de Janeiro, Brazil 2014" and "Moscow, Russia 2018" establish quality milestones.
