The Gujarat Chamber of Commerce & Industry

Scope of Work of “Golden Triangle Conference”

- The aim of the Council, which is non-political, is to unite the members in their common approach and for this purpose the objects of the Chamber are:
- To work together for improvement of prevailing tax system.
- The endeavor to improve the working conditions and facilitate effective input for achievement of common & collective objects for which the council has been established.
- To sign seal, execute and deliver all instruments, deeds, documents and writing whatsoever that may be found to be necessary or expedient in realization of the Trade Organization Act 2013.
- To work jointly against imposition of unjustified taxes regulatory duties, withholding taxes, sales tax and custom duties
- To jointly work for all rights of local businessmen in CEPEC Project
- Collectively work for common issues like tax reforms and rebates
- To encourage unity, mutual understanding and high ethical standards amongst its members.
- To take such steps as the council considers desirable towards the collective promotion of the interest of trade, industry, and services in Pakistan or outside Pakistan.
- To attempt to adopt unified approach in policies on all matters affecting the interest of trade, industry, and services in the region.
- To seek representations on various bodies dealing with issues of common interests.
